

EMMONS

4751-AGB/SWH

Celebrating its mechanical hardware, Emmons is a design-forward update on a rise-and-fall pendant. Exposed pulleys and counterweight details demonstrate the fixture's functional engineering with a clean, centered profile that supports the shade. Finished in Soft White, the short, wide metal shade is fitted with an integrated LED. The Aged Brass metalwork is complemented by a cream fabric cord linkage that adds both texture and visual balance to Emmons.
