

HENRI

AH4706-AGB

Henri reimagines the classic flush mount with a sculptural edge and purposeful detailing. A shallow square frame in Aged Brass features uniform perforations that offer both visual texture and functional ventilation. The pleated silk shade lends a refined softness, creating a warm glow that complements the fixture's clean architectural lines. Available in 4- or 6-light options, Henri is an ideal solution for lower ceilings—bringing elevated design to even the most compact spaces.
