

# JANUARY

HL1037201-AGB

Both nostalgic and future-facing, January melds organic materials with intriguing geometries. This striking table lamp celebrates the month Mandy enjoyed most during her childhood in the Midwest when she and her brother would spend hours playing in the snow — a tradition they continue to share today. The natural texture of the woven jute shade, smooth walnut wood sphere, and refined brass accents create multiple highlights that make January a decorative standout in any space.

\*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

\*Lamp includes its standard shade. Personalize the look with an optional shade add-on, sold separately.
