

ELODIE

H910701S-AGB

Contrasting glass shades and a sleek metal frame define the asymmetric hourglass silhouette of Elodie. This totemic pendant owes its graphic quality to the juxtaposition of clear and light bronze-plated glass forms. The choice between Aged Brass or True Bronze finishes allows you to lean into a more classic or industrial aesthetic. Whether suspended above countertops, in a living room, or at a bedside, Elodie sets the mood in style.
