

IMPORTANT
TURN OFF THE POWER AT THE MAIN FUSE
OR CIRCUIT BREAKER BOX BEFORE
STARTING INSTALLATION

Carefully unpack and identify all parts before beginning assembly. Bulb is not included.

1. Unscrew lantern from roof in counter clock wise direction.
2. Install light bulb (Not Included) into socket assembly located at bottom of roof. See relamping label located at socket area for type and allowed maximum wattage.
3. Screw back the lantern into roof.
4. Follow enclosed **“Standard Outdoor Mounting Plate Installation Instructions”** for electrical and fixture installation onto wall outlet box.
