Collection: Canfield

Round shape offers a functional modern style and white etched glass craftsman designed diffusers for adjustable lighting levels

The Sea Gull Lighting Canfield one light mini pendant in Midnight Black provides abundant light to your home, while adding style and interest. Behind every seemingly simple design lies unerring attention to restraint and obsessive attention to the tiniest details. The Canfield collection by Sea Gull Lighting draws on the modernist traditions of "less is more". Canfield offers a "whole home" lighting solution; offering lighting in every imaginable category from the auspicious 9 light 2-tier chandelier, to the concise mini-pendant and one-light sconces. The collection is available in hand brushed Bronze for a warm, tactile, almost Craftsman design style, or a Brushed Nickel to emphasize the more architectural elements of your interior.
