IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

Assemble the Lamp

IA

- 1 Install the harp by inserting it into the yoke
- 2 Screw the lamp into the socket. Refer to the label on the socket for Max Wattage Information.
- 3 Place the shade on the harp nipple and secure it in place by screwing the finial onto the harp nipple.
