Safety Information

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

Turn off electrical current at the source before working with any lighting fixture or portable lamp.

Install and use this product in adherence with local electrical codes and regulations.

FIXTURE PARTS

- A. Bulb (Not Included)
- B. Socket Ring
- C. Lamp Shade
- D. Socket
- E. Lamp Base
- F. Power Cord with Polarized Plug
- G. Plug Cap
- H. On/Off Switch

INSTRUCTIONS

1. Carefully unbox and examine all the items included in the packaging of the lamp.
2. Place the shade onto the socket and secure it with the socket ring.
3. Screw the bulb into the socket. Refer to the label on the socket for max wattage information.
4. Plug the lamp into a working electrical socket.
5. Use the light switch to turn the lamp on/off to test for proper functioning.
