

ASSEMBLY INSTRUCTIONS FOR

Sputnik Arc Lamp

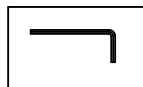

Model # 3791-21

3791-21 1.0

PARTS DIAGRAM:

- (1) allen wrench(I)
- (1) Tiny allen wrench(D)

1. Screw pole (F) clockwise into part (E) to tighten.
2. Screw pole (G) clockwise into pole (F) to tighten.
3. Screw pole (H) clockwise into pole (G) to tighten.
4. Screw pole(H) clockwise into the pole(P) to tighten and get the slack of the power cord out carefully from point(K). If the lamp is not facing forward to the base, turn some poistion back and make sure the shade is facing forward so that it hangs over the base.
5. Position arc to point directly across the diameter of the base. When in position, tighten screws (L) with allen wrench (I) to secure lamp body to base. Screws (L) are pre-inserted in the lamp base. use allen wrench(I) to loosen the screws(L) before inserting pole(H) into the base pole.
6. Screw pole (B) clockwise into socket part (A) to tighten.
7. Insert the socket part (C) into part (A) and tighten screws (M) with a tiny allen wrench (D) to secure the socket part(C). Screws (M) are pre-inserted in the part (A), use tiny allen wrench(D) to loosen the screws(M) before inserting socket part (C) into part (A).
8. In order to create the Arc for the floor lamp Part (E) needs to be extended completely. In order to extend the inner tube of Part (E) loosen Part (N) and extend the pole out completely.
9. Screw bulb(O) clockwise into socket to tighten. The cord may now be plugged in to working electrical outlet.

GENERAL PRODUCT INFORMATION:

This product is suitable for dry locations only.

IMPORTANT SAFETY INSTRUCTIONS:

This portable lamp has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. **DO NOT ALTER THE PLUG.**

BULB TYPE: (9) 40 watt maximum incandescent bulb(included) or 9 watt maximum equivalent LED bulb.(not included)
