GENERAL PRODUCT INFORMATION:

This product is suitable
for dry locations only.

IMPORTANT SAFETY INSTRUCTIONS:

This portable lamp has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. **DO NOT ALTER THE PLUG.**

BULB TYPE: (2) 40 watt maximum incandescent or 9 watt maximum equivalent LED bulb.
(not included)
