You will need 1 – Med.Bulb
40 Watts Recommended 60 Watts Max

USE LED BULBS FOR EXTENDED USE
This fixture is Damp rated

How to Install

This is a convertible piece. Installation steps for both Hard-Wire and Plug-In options are below

For Hard-wired installation, please proceed as follow:

1. Remove the plug wires from the fixture wires.
2. Remove the Nut(G) from the bottom of Back Plate(B) and cover the hole with Plug(H).
3. Attach the Metal disc and Shade(E) onto Socket (D) and secure it using the Socket Ring(F).

For Plug-in installation, please proceed as follows:

1. Connect Rod(I) to the bottom of Back Plate(B).
2. Determine the desired location you'd like to put this fixture on the wall, and mark two points on it with same distance as between the holes on the Back Plate(B).
3. Drill the holes at the marked points and insert the anchors into the holes in the wall, Attach the mounting plate onto the wall using the anchor screws.
4. Attach the Back Plate(B) onto mounting plate.
