Turn Power off

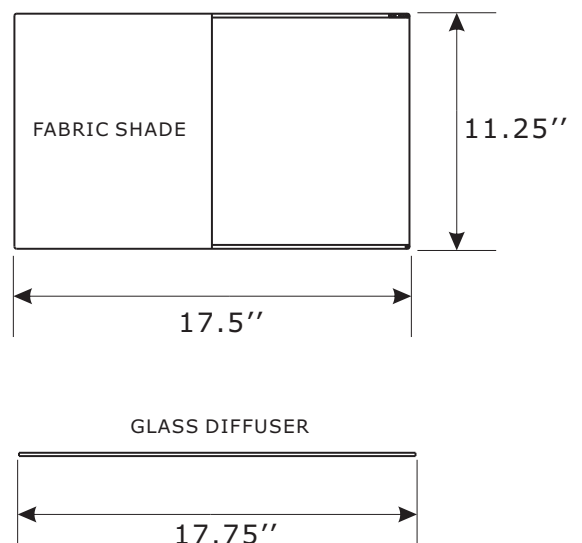

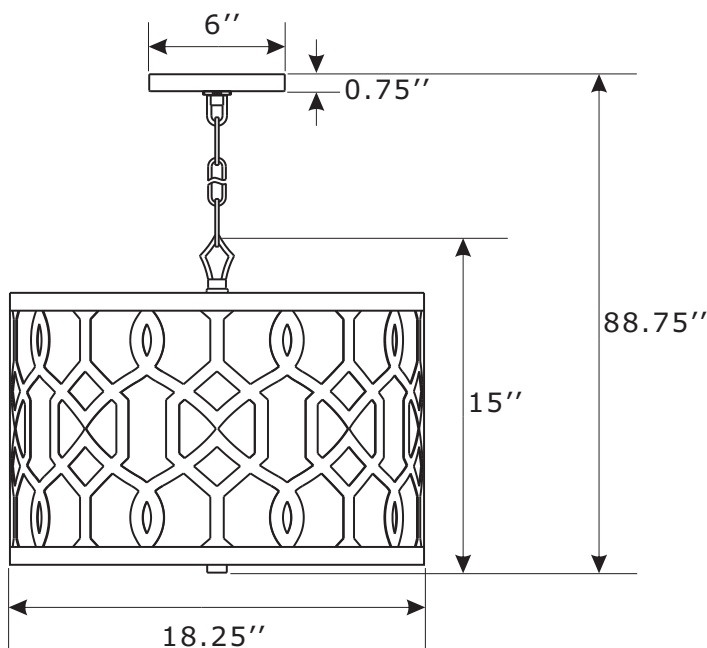

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 3-Medium Base Bulb
60 Watts Recommended 100 Watts Max.
USE LED BULBS FOR EXTENDED USE
This fixture is Dry rated

How to install

1. Slide the check ring along the wire and over the nipple located at the top of the metal frame, then secure it with the loop.
2. Determine the preferred hanging height and adjust the chain to the length required.
3. Connect fixture wires to supply wires in outlet box.
4. Install the fixture onto the outlet box.
5. Install the bulbs(not included) into the socket.
6. Thread the nipple onto the coupling and adjust the length of nipple to fit with the glass. Tighten it with hex nut.
7. Slide the glass diffuser, plastic washer, and metal washer over the nipple, then secure them with the hex nut.
8. Slide the cap over the nipple, then secure with the bottom finial.
