ASSEMBLY INSTRUCTION MODEL# CAP-8511-MK-TG

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

TYPE T10

Included 1 - Med T10 LED Bulb
6 Watts Recommended
Use LED Bulbs for Extended Use
The Fixture is Damp Rated

How to install

1. Determine the desired hanging height and choose the correct length of rods.
2. Pass the fixture wires through the rods. Screw the rods clockwise onto the top of the metal band. Screw the loop clockwise onto the top of the rods. Connect the loop to the screw collar loop ring using the quick link.
3. Install the mounting bar to the outlet box using two outlet box screws.
4. Install the canopy onto the mounting bar and secure with the screw collar loop ring.
5. Install the bulb into the socket (bulb included).
6. Screw the glass clockwise into the metal band and lock it in place.
