### LARGE HANGING LANTERN

Hype up your alfresco area with the Hugh outdoor lantern and its sleek transitional style. The trapezoidal design features bold, over-scaled clear glass panes framed by carefully curated two-tone metal finish options to inject a modern edge. Choose from classic Antique Brushed Aluminum with a matte Black accent or a rich Black with a warm Burnished Bronze accent. Pro tip: we recommend a tubular vintage filament bulb to make Hugh pop on porches and patios or amp up any exterior space.
