STEP 1

Measure 10.5" from the center of the canopy in opposite directions. Mount hooks 1.1 and 1.2 to the ceiling. Do not tighten the hooks all the way down, this will let the leather settle naturally.

STEP 2

Measure 26" from the center of the canopy in opposite directions, offsetting the measurements in a clockwise fashion from the previously mounted hooks. Mount pucks 2.1 and 2.2 to the ceiling.

STEP 3

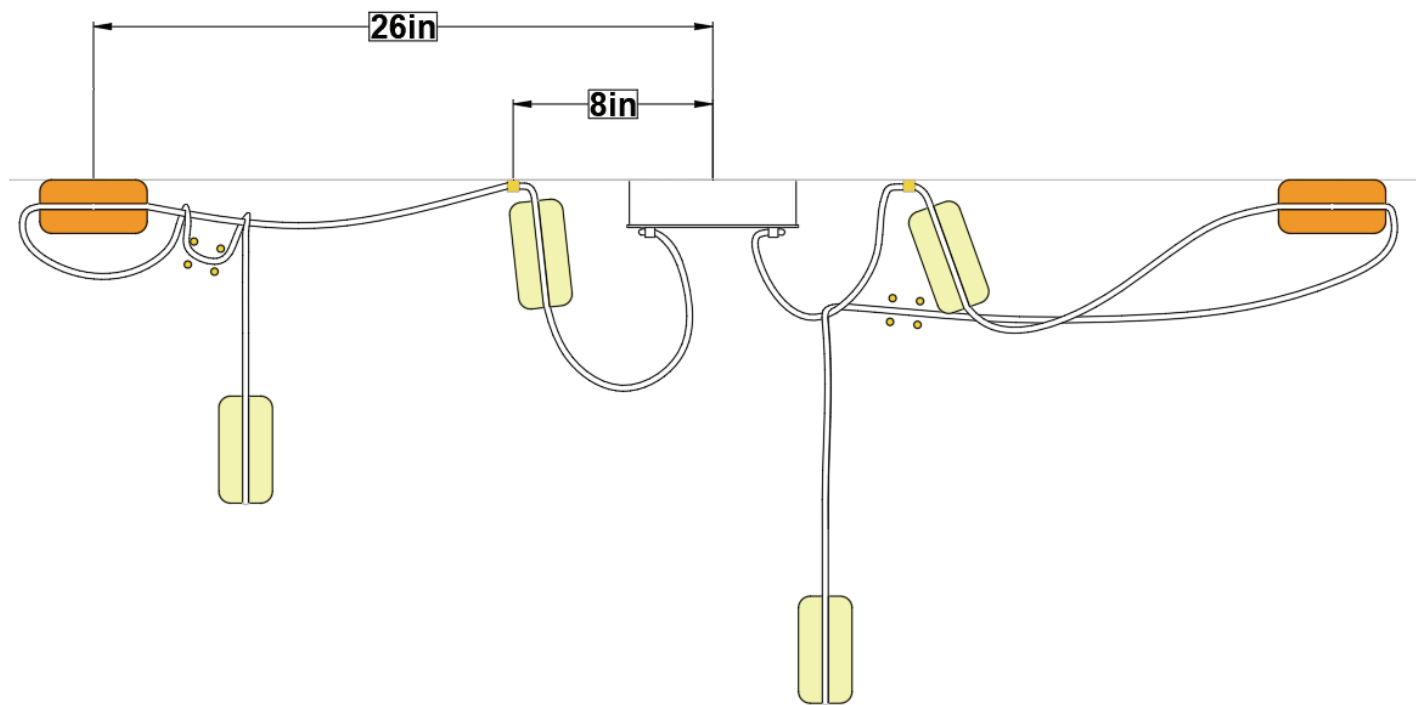

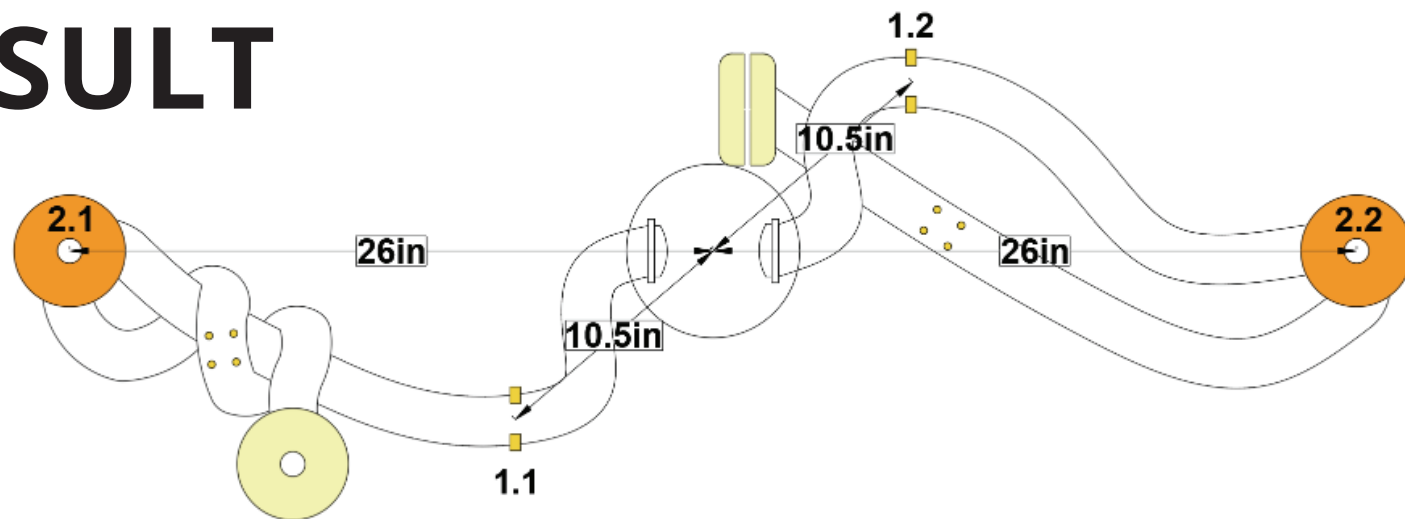

Weave the strap around itself two times with one side. On the other side, hang the strap through the leather that comes off the canopy.
