

NEPHELE

473-01-VPB

Echoing the artistry of bespoke installations and the graceful allure of fine jewelry, Nephele floats elegantly in space, resembling a string of luminous pearls suspended in perfect harmony. Each softly glowing cloud glass orb is held in place by intricately detailed Vintage Polished Brass links, creating a striking interplay of light and form.

Available in 8, 12, or 16-light LED-lit chandeliers, as well as a 1-light wall sconce, Nephele captivates the senses with its fluid silhouette and exquisite craftsmanship. This artful statement piece offers a refined elegance that elevates interiors with its sculptural presence.
