

KOPAN

579-01-VB

Exploring the infinite possibilities of a simple silhouette, the 1-light LED Kopan sconce pairs soft organic shaping with elongated, layered forms. The central cloud glass shade casts a warm, atmospheric ambience that is accentuated by a milky alabaster reflector panel. Anchored by a Vintage Brass backplate, this ethereal accent piece softens the lines of hallways, bedrooms, and vanities. Part of the Nozawa collection.
