

COPPA

554-01-VGL

Coppa is a quiet study in the layering of light. A softly domed, concentric matte cloud seeded glass shade recalls the shape of a blooming flower, casting a gentle uplight that feels both dimensional and refined. Its elongated, textured brass stem—finished in either Vintage Gold Leaf or Warm Silver Leaf—spans 33.25 inches, bringing graceful drama and a touch of tailored elegance to the wall. Coppa delivers a luminous glow that's at once structured and soft—sculptural and undeniably romantic.
