

# COLEMAN

C1104-BRL

An expression of substantial geometry with lightweight materiality, Coleman features a dimensional, Abaca string-wrapped frame that resembles a vintage carousel. The inside of the shade is densely wrapped, while the outside has a more sparse distribution, creating a sense of visual dynamism that is enhanced when lit. The Bronze Leaf finish of the mount carries through the antique aesthetic while balancing the lightness of the bleached strings.

\*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
