

GLADDEN

B5720-TBK/PBR

The lantern-inspired silhouette of Gladden emphasizes clean lines and purposeful design. A Textured Black frame is accented by Patina Brass ball details, giving it an old-world character. The rippled texture of the heavy seeded glass softens the light housed within the frame. Gladden is well-suited for the outdoors, but it can also be adapted for indoor use. Available in two sizes with a Dark Sky rating.
