

GARVEY

B4934-TBZ/PBR

The Garvey sconce reimagines a traditional box lantern with a modern, artistic twist. A rod pierces vertically through the design, suspending a central bead that houses the LED light source. Behind it, a reflective panel amplifies the glow while adding a contemporary dimension. The interplay of the contrasting Textured Bronze and Patina Brass finishes creates visual depth. Available in three sizes, Garvey suits a range of outdoor settings.
